TODAY

# [The change this room will make.]

## By the end, you will be able to [do the work], not just talk about it.

Leave with

- [A decision you can defend]
- [A thing you built]
- [A next run already planned]

Do not distribute or reproduce

THE ROUTE

# Four moves. One working system.

01

## See

[Collect the signal.]

02

## Decide

[Choose the pattern.]

03

## Build

[Make it usable.]

04

## Run

[Test the handoff.]

PART 01

# [The section takeaway] belongs here.

[One sentence that says why it matters now.]

01

Do not distribute or reproduce

THE PRINCIPLE

# [A complete, audience-facing takeaway.]

**[Short idea.]**

[Explain the idea in two or three sentences. Keep the slide readable from the back of the room.]

THE RULE

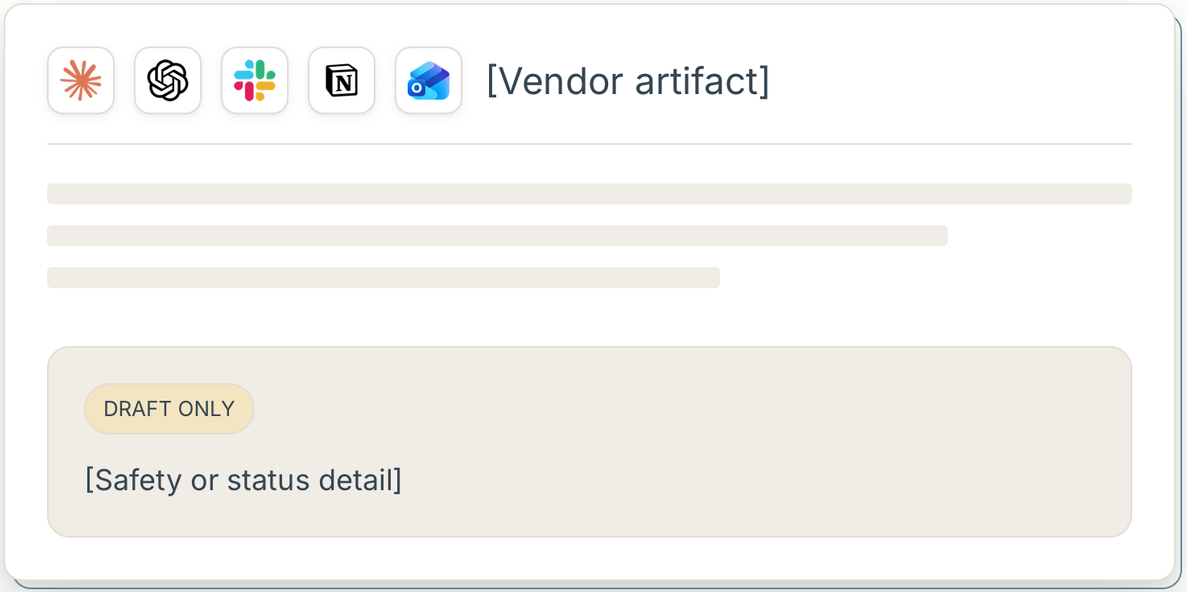

[The sentence worth writing down.]

Do not distribute or reproduce

WHAT IT LOOKS LIKE

# [The work becomes visible here.]

## Read the artifact

- [What came in]
- [What judgement was applied]
- [What happens next]

Copy the real component from the canonical artifact library. Vendor objects float; Always Allow notes sit on a hairline.

THE DISTINCTION

# [Name the choice, not two vague themes.]

BEFORE

## [The old move]

- [Observable behavior]
- [What it costs]

AFTER

## [The useful move]

- [Observable behavior]
- [What changes]

Do not distribute or reproduce

THE THREE THINGS

# [A takeaway that holds all three.]

## 01

[First point]

[One sentence, not a paragraph.]

## 02

[Second point]

[One sentence, not a paragraph.]

## 03

[Third point]

[One sentence, not a paragraph.]

THE PROGRESSION

# [Each pass makes the work more usable.]

01

[Input]

[What arrives.]

02

[Judgement]

[What gets decided.]

03

[Output]

[What is made.]

04

[Handoff]

[Who gets it.]

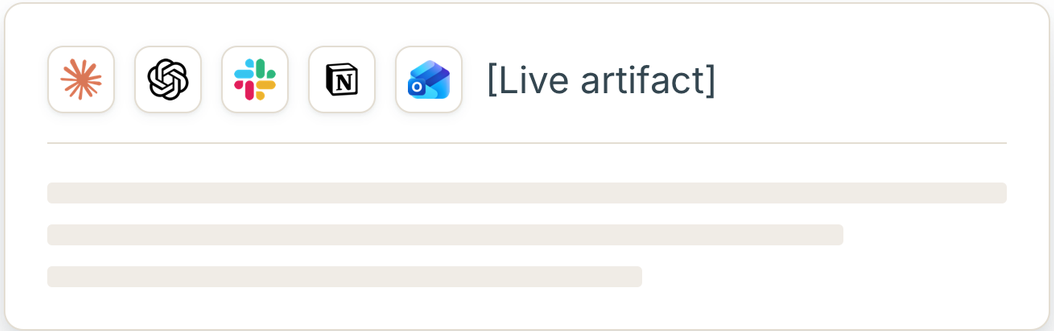

Do not distribute or reproduce

LIVE BUILD

# [Watch the system make the handoff.]

STEP 1 STEP 2 STEP 3

Keep only the current step emphasized.

Do not distribute or reproduce

BUILD TOGETHER

# [Give the room one clear job.]

12

YOUR TURN

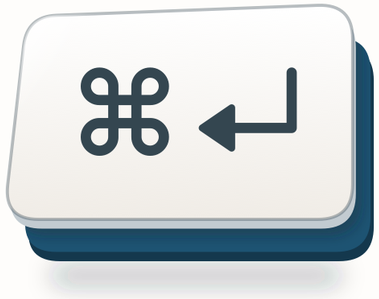

## [Action verb + the thing to make]

[Two sentences of instruction. Name what success looks like and where the work should be saved.]

Done when: [observable finish line]

Do not distribute or reproduce

# Take a break.

We restart at [time].

Do not distribute or reproduce

WHAT YOU BUILT

# [The room moved from insight to a working first run.]

### [Decision]

[What the room now knows.]

### [Build]

[What now exists.]

### [Next run]

[What happens after today.]
